

Conference invite: Managing the transition to net zero, 9-10 July, Brussels

NDC ASPECTS, together with its sister Horizon 2020 project 4i-TRACTION, cordially invite you to a joint final conference, taking place on 9 & 10 July in Brussels. The event, taking place a month after the European elections, seeks to spotlight key issues in the transition to climate neutrality in the EU, in other major emitters, and globally - and discuss options to address them. The conversations among policy-makers and other stakeholders will be kicked-off by content inputs from 4i-TRACTION and NDC ASPECTS.

The conference programme comprises two subthemes:

- Day 1: EU policy focus - investments, infrastructure, and international integration
- Day 2: Global policy focus - hard to abate sectors, action by major emitters, cooperation

Speakers will include

- Yvon Slingenberg, Director and Deputy Director-General, DG CLIMA
- Marta Torres Gunfaus, Director, Climate Change Programme, IDDRI
- Thomas Pellerin-Carlin, candidate for the European Parliament for place publique (requested)
- Dirk-Jan van de Ven (BC3 - Basque Centre for Climate Change)
- Kimon Keramidas (European Commission JRC & University Grenoble Alpes)
- Panagiotis Fragkos (E3 Modelling)
- Harro van Asselt (Cambridge University)
- Teng Fei (Tsinghua University)
- Ryna Cui (University of Maryland)
- Lukas Hermwille (Wuppertal Institute)

Join us in Brussels for this Policy & Research Dialogue Conference on the 9th(13:00 - 18:00) and 10th July 2024

(9:00 - 16:00).

In-person participants are invited to a light lunch before the start of the conference and a reception at the end of the first day, as well as lunch on the second day. Remote participation will also be possible.
